

Guarana 50 Capsules

EAN: 8425198026052 FABRICANTE: ROBIS

It is a food supplement considered a revitalizing tonic that has stimulating properties. Its action translates into a significant improvement in blood flow, which helps prevent exhaustion and fatigue. In addition, its regular consumption helps to optimize mental performance by combating mental exhaustion and stress. Likewise, this tonic enhances muscle capacity and acts as a preventive agent against premature aging."

DESCRIPTION

What is Guarana de Robis and what is it for?

Guarana de Robis is a food supplement that serves as a stimulating tonic, thanks to the beneficial properties of its active ingredients. Its effects are manifested in several aspects:

- Promotes a remarkable improvement in blood flow, which contributes to better circulation and oxygenation of tissues.
- Helps prevent and avoid fatigue, providing additional energy to the body.
- It enhances intellectual performance, favoring concentration and mental agility.
- It acts as an effective shield against psychological exhaustion and stress, providing greater emotional balance and general well-being."

What is the dosage of Guarana de Robis?

Take four capsules daily, swallowed with a sufficient amount of water, divided into two doses after meals.

The last dose should be several hours before going to bed.
