Sakai is dedicated to the manufacture of macrobiotic food products and herbal medicine. They bet on bio, Eco and Organic products. they also have a natracare intimate hygiene brand.

DESCRIPTION

Sakai is a family company with forty years of experience. It was founded in 1978 in Barcelona. They introduced the macrobiotic diet in Spain and in the 90s they began to market products with biological certification. Twenty years ago they became a benchmark for food supplements and herbal medicine.
