

Epresat (Multivitamin) 250 ml

EAN: 4004148047268 FABRICANTE: SALUS

Multivitamin formula that provides 12 vital vitamins such as A, B6, C and D for normal functioning of the immune system.

DESCRIPTION

Vitamins B₂, B₁, C and niacin help reduce tiredness and fatigue. In addition, vitamins B₁, B₆, C and niacin contribute to normal psychological function, and vitamin E helps protect cells from oxidative damage. Epresat is easy to take and helps protect the balance between vitamins A, D, E, C, B₁, B₂, niacin and B₆. Because these nutrients reach the intestine already dissolved in a liquid medium, they are absorbed more quickly than other dry formulations.

In addition, the formula is complemented with milk thistle, kola seeds, echinacea and wheat germ.

Ingredients

Aqueous extract (35%) of: milk thistle fruits, kola seeds, seaweed, **wheat** germ, echinacea root.

Blend of fruit juice concentrates (31%): water, orange juice concentrate, carob extract, guava, passion fruit, apricot, grape, lemon and apple juice concentrates.

Fructose syrup, aqueous yeast extract (*Saccharomyces cerevisiae*), vitamin C, thickeners (guar gum, xanthan gum), niacin, natural flavors, vitamin E, vitamin B₆, vitamin B₁, vitamin B₂, vitamin A, vitamin D.

Instructions for use

Young adults 12 years and older: take 10 ml once daily before meals.

Children 6 to 12 years: take 5 ml once a day before eating.
