

Floradix-Floravital is a preparation very similar to Floradix and with the same purpose, to provide the body with nutritional iron, however it has been specially designed for groups that cannot take Floradix because they are intolerant to any of its ingredients.

DESCRIPTION

Contains organic iron, as well as vitamins B₂, B₆, B₁₂ and C, which help reduce tiredness and fatigue and contribute to normal energy metabolism. Iron is a mineral necessary for the normal formation of red blood cells and haemoglobin. Furthermore, vitamin C contributes to better absorption of non-haem iron. Floradix-Floravital contains ferrous gluconate iron, which is a particularly absorbable iron salt.

Floradix-Floravital is easy to take. Because these nutrients reach the intestine already dissolved in a liquid medium, they are absorbed more quickly.

Floradix-Floravital is suitable for women, including pregnant and nursing mothers, children¹⁾, adolescents, the elderly, convalescents, vegetarians, vegans and people with an active lifestyle.

¹⁾ Iron contributes to normal cognitive function in children.

Ingredients

Aqueous extract (70%) of: hibiscus flowers (*Hibiscus sabdariffa*), chamomile flowers (*Matricaria recutita*), fennel fruits (*Foeniculum vulgare*) and spinach leaves (*Spinacia oleracea*).

Blend of fruit juice concentrates (27%): grape (*Vitis vinifera*), pear (*Pyrus communis*), blackcurrant (*Ribes nigrum*), cherry (*Prunus cerasus*), blackberry (*Rubus fruticosus*) and carrot (*Daucus carota*).

Ferrous gluconate, aqueous soft extract of rosehip (*Rosa canina*) with 4% vitamin C, vitamin C (L-ascorbic acid), vitamin B2 (Riboflavin 5'-sodium phosphate), vitamin B6 (Pyridoxine hydrochloride), vitamin B1 (Thiamine hydrochloride), vitamin B12 (cyanocobalamin).

Instructions for use

Adults and young people aged 12 years and over: take 10 ml twice a day half an hour before breakfast and dinner.

Children from 6 to 11 years: take 5 ml twice a day half an hour before breakfast and dinner.

Children 3 to 5 years: take 5 ml once a day half an hour before eating.
