

Strengthening and supporting the body's defenses throughout the year is important for health.

DESCRIPTION

This preparation is made from a micronutrient compound and an aqueous plant extract, including echinacea, which is known for contributing to normal immune function. The vitamins B6, B12, C, D3 and E it contains, as well as the minerals selenium and zinc, are substances that play an essential role in the optimal functioning of the immune system.

Ingredients

Aqueous extract (52%) of: whole echinacea plant (*Echinacea purpurea* L. Moench) (24%), lemon balm leaves, apple fruits, mint leaves, sage leaves, rosemary leaves, rosehip peel.

Blend of fruit juice concentrates (35%): pear, elderberry, pomegranate, blackberry, carrot, acerola.

Water, soft apple and plum extract, thickener (locust bean gum), vitamin C (L-ascorbic acid), vitamin E (D-alpha tocopheryl acetate), zinc (zinc citrate), vitamin B6 (pyridoxine hydrochloride), selenium (sodium selenate), vitamin D (cholecalciferol), vitamin B12 (methylcobalamin).

Instructions for use

Adults and young people aged 12 years and over: Take 20 ml once a day, preferably during a meal.

Children 6 to 11 years: Take 10 ml once a day, preferably during a meal.
