EAN: 8412170046214 FABRICANTE: SANTIVERI

Oatmeal ide cookies with Sesame Sugar-free and sweetener-free. Tasty ingredients with high nutritional value: lactose and egg free. Vegan sesame cookies in a pack of 3 units. High in fiber and low in saturated fat.

DESCRIPTION

Characteristics

Delicious cookies made with oats and sesame seeds. Without added sugars or sweeteners. Due to their low sugar content (only 4 g per 100 g) and high fiber content (15%), they are recommended for the whole family. They are also made without palm fat. Crispy, sweet at the right point, a perfect balance.

What are the ingredients in Santiveri's Double Zero Sesame Cookies?

Oats (flakes, bran and whole wheat flour) (33.2%), whole wheat flour (27.8%), vegetable oils (sunflower and olive) (11.8%), corn fiber, malt extract, sesame (4.4%), crispy rice, aromas, emulsifier (lecithins), raising agent (ammonium bicarbonate), salt, antioxidant (extract rich in tocopherols). May contain traces of nuts, soy and mustard.
