With our Santiveri organic lentil toasts, having a healthy diet and feeling good will be a delicious task. They are completely natural, since our buckwheat toast recipe incorporates lentil flour. In addition to being a healthy food, rich in protein and low in calories, you will love this snack for its super crunchy texture, its lightness and its flavor with just the right amount of salt.

At Santiveri we want everyone to be able to take care of their diet and enjoy it at the same time. That's why these tasty gluten-free organic lentil toasts are suitable for people with celiac disease, and those allergic or sensitive to gluten. In addition, being vegan, they also fit perfectly into a vegan, vegetarian or flexitarian diet.

As they are so versatile, you can have them at any time of the day when you fancy a light and easy-to-mix snack.

Since 1885, our brand has created products that help you live a healthy and natural life.
