

## Vigor EPA 120 pearls

EAN: 8412170010161

FABRICANTE: SANTIVERI

*Food supplement with concentrated Omega 3 marine lipids (EPA and DHA) and vitamin E. Heart-Circulation*

### DESCRIPTION

#### Composition

concentrated fish oils, gelatin and glycerin, vitamin E (DL-alpha-tocopheryl acetate).

It is recommended not to exceed the recommended daily dose. Food supplements should not be used as a substitute for a varied and balanced diet. Keep out of reach of children.

#### Amount provided per daily dose

Each pearl contains 500 mg of fish oils, with a richness in polyunsaturated fatty acids EPA and DHA of 30% and 2 mg of vitamin E. 6 pearls contain 3,000 mg of marine lipids, and provide approximately 540 mg of EPA, 360 mg of DHA and 12 mg of vitamin E (100% NRV). NRV = Nutrient Reference Values.

**Directions for use:** Take 4 to 6 softgels a day, half with breakfast and the other half with dinner. The beneficial effect is obtained with a daily intake of 250 mg of EPA and DHA.
