

SCHINDELES

Address: Kicking 18 Postal Code / District: A-3122 Town: Gansbach Province: Austria Phone: +43 2753 289 Foundation year: 1981

Country: ES **Web**: https://www.mineralien.co.at/es

Schindeles is dedicated to the extraction and preparation of minerals obtained from rock deposits of a volcanic cone. These minerals are packaged for human consumption, for immersion baths, as masks.

DESCRIPTION

Schindeles obtains the minerals from the rock deposit that formed during the fracturing of the earth's crust. These minerals are very soluble and are transformed into other minerals when their atoms and molecules are released.

PRODUCTS:
