SCHNITZER is active in the food sector of gluten-free products, in the field of mills and cereal flakes. SCHNITZER manufactures organically produced gluten-free foods. The Schnitzer company founds Schnitzer Bräu GmbH & Co. KG and launches the organic, gluten-free beer. A year later, Schnitzer Bräu Millet Lemon is launched.

DESCRIPTION

SCHNITZER was founded in Germany in 1968. SCHNITZER is dedicated to the production of gluten-free food products, its production is 100% organic, without artificial ingredients.

The Schnitzer Group offers people with food intolerances or autoimmune diseases such as celiac disease, wheat or lactose intolerance bakery products that make everyday cooking enjoyable and make them almost forget about doing without conventional products.
