

Arabinogalactan 60 Capsules

EAN: 076280030204

FABRICANTE: SOLARAY

What if the old saying "listen to your gut" doesn't just apply to your feelings? What about your real instinct? We have developed our arabinogalactan larch extract, a powerful intestinal support for a powerful person.

DESCRIPTION

Arabinogalactan may help maintain healthy levels of microflora that may support digestive health. Derived from larch, arabinogalactan is a powerful polysaccharide that can be a powerful detoxifying aid, as well as supporting a healthy immune system.

At Solaray, we believe it is our responsibility to deliver products to our customers with the same energy and goodness they contain when we harvest them. That's why our arabinogalactan is non-GMO, vegan, and lab-verified for identity, purity, and potency. With Solaray, you can trust that you are giving your body the best.

Ingredients:

Broccoli, myrosinase enzyme, organic freeze-dried broccoli sprouts, vegetable cellulose capsule and calcium ascorbate.

Use:

Use only as directed. Take 1 VegCap a day with a meal or a glass of water.
