

## L ARGININE 500 mg 100 Capsules

EAN: 076280552850

FABRICANTE: SOLARAY

*L-arginine plays a fundamental role in our body, acting as a key piece in the construction of proteins and playing a crucial role in cardiovascular health.*

### DESCRIPTION

In our body, L-arginine is transformed into a molecule called **nitric oxide**, which has the ability to **dilate blood vessels**. This dilation translates into **better blood circulation**, allowing oxygen and nutrients to reach the entire body more efficiently.

- L-arginine is a fundamental building block for proteins.
- It is crucial for the proper functioning of the cardiovascular system.
- Promotes blood flow by relaxing the walls of blood vessels.
- It contributes to the efficient transport of oxygen and nutrients throughout the body.

**INGREDIENTS:** L-Arginine (as L-Arginine HCl), Vegetable Cellulose Capsule, Cellulose, Organic Rice Extract Blend and Silica.

**DIRECTIONS:** Use only as directed. Take 1 VegCap a day. For best results, take it on an empty stomach. Store in a cool, dry place.
