DESCRIPTION

What is Solgar's advanced antioxidant formula?

Advanced antioxidant formula is a food supplement rich in antioxidants, vitamins, minerals and phytonutrients from maritime pine bark that protect against oxidative stress.

What are the benefits of advanced antioxidant formula?

The benefits of Advanced antioxidant formula are that it protects against oxidative stress due to its content of vitamins C and E and minerals such as zinc, selenium and copper. It also contains amino acids such as taurine, cysteine and glutathione.

How do you take Advanced Antioxidant Formula?

Advanced antioxidant formula is taken orally one vegetable capsule a day, with a glass of water, preferably with meals.

What is the composition of advanced antioxidant formula?

The ingredients of Advanced antioxidant formula are: Vitamin C (L-calcium ascorbate), Vitamin E (100 IU, d-alpha tocopheryl acid succinate), L-Cysteine (hydrochloride), Food base blend [green tea extract (Camellia sinensis) (leaf) (standardized for polyphenols), Red Wine Extract (standardized for polyphenols), French Maritime Pine (Pinus pinaster) bark extract, and Pycnogenol®(standardized for procyanidins)], Powdered Plant Base [Spirulina, Ginkgo biloba extract (leaf), Mary Thistle (Silybum marianum) extract (seed), Gotu kola (Centella asiatica) extract (aerial)], Taurine, Powdered Rosehip Extract (4:1) and Rosehip; L-Glutathione, Mixed Tocopherol Complex, Zinc (bisglycinate), Riboflavin (Vitamin B2), Natural Source Beta Carotene, Manganese (bisglycinate), Copper (bisglycinate), Vitamin A (1250 IU, palmitate), Selenium (L-selenomethionine), Mixed carotenoids. Bulking agents: microcrystalline cellulose, alginate, citric acid, pea starch, maltodextrin, gum arabic, dicalcium phosphate; Anti-caking agents: vegetable magnesium stearate, silicon dioxide; Vegetable capsule: hydroxypropyl methyl cellulose.
