

Evening Primrose Oil 1300 mg 30 Pearls

EAN: 033984010567

FABRICANTE: SOLGAR

Solgar's evening primrose oil or rose primrose oil is a food supplement that has soothing and softening properties on the skin. Solgar's evening primrose oil is used to reduce discomfort caused to women during menstruation, such as pain, swelling, and irritability.

DESCRIPTION

Evening primrose is a plant native to North America with deep yellow flowers that open at dusk.

The evening primrose oil in our product Rose Primrose Oil is obtained by cold pressing evening primrose seeds, thus offering a quality product.

With 1300 mg of evening primrose oil per capsule, it provides a greater intake of GLA in each dose. GLA (gamma linoleic acid) is an omega-6 fatty acid that has traditionally been associated with women's well-being.

Indications

- Women of childbearing age or in perimenopause who wish to increase their GLA levels.

Benefits

- High quality rose primrose oil, obtained by cold pressing.
- Source of polyunsaturated fatty acids, linoleic and gamma-linolenic acid.
- One of the oils with the highest GLA content.
- No sugars.
- Gluten free.

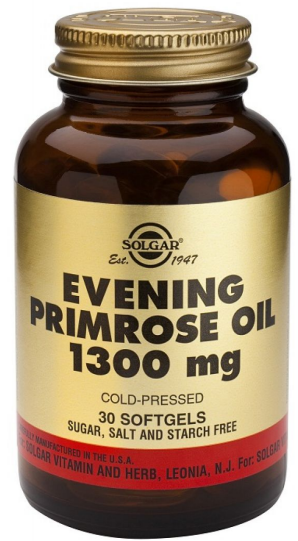

Prices valid except for changes on our website. (IVA/VAT) included. Doc. Version bf-trf-G-20241222
