

Maximized L-Glutathione 250 mg 60 Vegetable Capsules

EAN: 033984013513

FABRICANTE: SOLGAR

250 mg per capsule of the tripeptide glutathione, which appears naturally in all cells of the body, and more especially in the liver.

DESCRIPTION

Glutathione is a tripeptide that occurs naturally in the body and is formed by the amino acids glycine, cysteine and glutamic acid. Glutathione is a redox molecule, meaning it can be present in oxidized and reduced forms. Glutathione is found in all cells in the body, with the highest concentration in the liver.

With 250 mg of L-Glutathione in reduced form per capsule, Solgar L-Glutathione 250 mg Maximized “maximizes” the delivery of this tripeptide.

Indications

For those looking for a high potency glutathione product.

Benefits

- Gluten free.
- It does not contain starch, yeast, preservatives, sweeteners, flavourings or colourings.
- Suitable for vegans.

Ingredients

Reduced L-glutathione, bulking agent (microcrystalline cellulose), coating agent (hydroxypropyl methylcellulose), anti-caking agent (magnesium stearate, silicon dioxide, magnesium oxide).

Instructions for use

For adults, take one capsule daily, preferably with meals. Swallow the capsules with water or another beverage.

Prices valid except for changes on our website. (IVA/VAT) included. Doc. Version bf-trf-G-20241122
