DESCRIPTION

The Compositor range from Soria Natural is formulated using the latest scientific advances in phytotherapy:

- With cyclodextrins.
- Greater bioavailability.
- In vegetable glycerin.
- Ensuring the amount of active ingredients.
- Alcohol-free.

Directions for use: Adults and those over 14 years of age: 1 mL 3 times a day diluted in water before meals.

Recommendations:

- Shake before use. Squeeze the nipple and wait a few seconds.
- As this is a natural product, there may be differences in taste, colour and texture in different batches. A slight sediment may form in the bottle, which does not affect its quality.
- Store in a cool, dry place protected from light.
- Do not use as a substitute for a varied and balanced diet and a healthy lifestyle.
- Keep out of reach of small children.
- Do not exceed the expressly recommended dose.

The composition of our products is updated periodically. Please refer to the product labeling to confirm that it suits your needs.
