

Fine clay 5 Kg red

EAN: 8422947060268

FABRICANTE: SORIA NATURAL

Soria Natural fine clay is recommended for external use, in the form of a mask, due to its benefits for the skin and the body.

DESCRIPTION

Soria Natural clays (white clay, green clay and fine clay) have been dried naturally in the sun, making them a product of extraordinary purity.

Ingredients: 100% natural clay.

Directions for use: It is advisable to put the clay in a suitable container and gradually add water until the desired consistency is obtained. The mask should be firm, but not too thick. Apply a thin layer to the desired area, avoiding the eye and lip contours, and then remove with warm water.

No special storage conditions required.
