*Stesweet is the great manufacturer and distributor of Stevia products. Stesweet's products made with zero-calorie stevia include bars, granules, tablets, liquid, cooking and baking powder, and liquid to provide just the right amount.*

### DESCRIPTION

Stesweet is therefore the manufacturer of stevia. Stevia is unique among all sweeteners and is a sweet and tasty alternative to sugar. Stevia is a natural sweetener, it comes from the plant that bears its name, and while it sweetens, it does not contain calories.
