*Are you looking for a healthy and delicious alternative to traditional breads? Taho Cereal is the answer! We offer a wide range of organic breads and low-glycemic index cakes, made with high-quality flours from different cereals and seeds.*

### DESCRIPTION

Enjoy crunchy bread full of flavor, perfect to accompany your meals or as a snack between meals. In addition, our cakes are ideal for preparing cakes, biscuits and other delicacies without regrets.

**Taho Cereal**, taking care of your health and your palate.

### Here are some of the advantages of choosing Taho Cereal:

- **Organic ingredients:** All our products are made with 100% organic ingredients, grown without pesticides or chemical fertilizers.
- **Low glycemic index:** Our breads and cakes are ideal for people with diabetes or who want to control their blood sugar levels.
- **Rich in fiber:** Fiber helps you feel full for longer, regulates intestinal transit and promotes cardiovascular health.
- **Source of vitamins and minerals:** Cereals and seeds are rich in vitamins, minerals and trace elements essential for the proper functioning of the body.
- **Exceptional flavor and texture:** Enjoy crunchy bread full of flavor, with a texture you will love.
