

## Oroxon Magnesium 60 Capsules

**EAN:** 8437010670039    **FABRICANTE:** TAXON

*Oroxon Magnesium is a food supplement indicated in cases of deficiency of the mineral magnesium, such as in the case of muscle cramps.*

### DESCRIPTION

#### What is it and what is Oroxon Magnesium for?

This product consists of a combination of a magnesium salt and malic acid. It not only ensures the effective availability of magnesium, but also acts as a natural metal-binding agent in light aluminum exposure situations.

#### What is the composition of Oroxon Magnesium?

Ingredients for 3 capsules:

- Magnesium malate 1500mg (225mg Magnesium, 60% NRV).
- Bulking agent (microcrystalline cellulose).
- Coating agent (Hydroxypropylmethylcellulose).
- Anti-caking agent (magnesium stearate).

#### What is the recommended daily dose?

Take one capsule before each meal (3 capsules daily).
