*EN The Beemine manufactures cannabis products mixed with beekeeping, this mix leads to natural remedies to give people well-being and health and at the same time take care of the environment.*

### DESCRIPTION

The Beemine is a young company that designs and produces synergies that connect the potential that cannabis has with beekeeping. The mixture of the benefits of non-psychoactive extracts of cannabis with honey, propolis and other derivatives of beekeeping, led to the manufacture of excellent remedies for the well-being and health of people.
