Instructions for use

Use 1-3 times a day. Start with just a few drops, 1-3 or as many as needed to cover the area. Work your way up until you feel the desired effect. If you are already familiar with the product or use more than 7 drops, move up a level and choose a higher % CBD oil to use fewer drops.

What should I do if I accidentally ingest it?

The use of ingested/sublingual CBD is not regulated in Spain. In any case, our CBD oils are non-toxic and do not contain pesticides and their ingredients are 100% plant-based (Cannabidiol, Sunflower oil, Hemp seed oil and Vitamin E).

Can I use CBD oil with medication?

CBD does not enter the bloodstream, so there is no potential for drug interactions to occur using this route.
