Aktidrenal 500 ml

EAN: 8436005301828 FABRICANTE: TONGIL

Directions: Mix 2 tablespoons (20 ml) with 1 litre of water and drink the contents of the mixture throughout the day. Optionally, you can also mix 1 tablespoon (10 ml) in a large glass of water, 2 times daily.

HEALTHY PROPERTIES

Artichoke promotes detoxification, contributes to the normal functioning of the digestive tract and promotes weight loss.

Horsetail promotes remineralization of the body.

Other ingredients: Maltodextrin, flavouring, preservatives (potassium sorbate, sulphur dioxide), acidulant (citric acid).

Quality:

- Exclusive combination of plant extracts and fruit juices.
- Contains fluid extracts of Artichoke, Dandelion, Fumitory, Couch Grass, Sarsaparilla, Horsetail, Boldo, Green Tea, Cinnamon, Licorice, Thyme, Ginseng and Oregano.
- Contains Papaya and Pineapple.
- Enhanced with Grapefruit, Watermelon and Apple juice.

Recommendations:

- *Health properties authorised in the European Register No. 432/2012 or entered in the Register of the European Food Safety Authority (EFSA). Food supplements should not be used as a substitute for a balanced diet and a healthy lifestyle. Do not exceed the recommended daily dose. Keep out of reach of children. To meet nutritional needs, it is important to consume a varied and balanced diet and follow a healthy lifestyle. Consumption warnings are reflected on the supplement label.*
