

## Aligel Fort Energy 10 Vials X 10 ml

**EAN:** 8436005300036 **FABRICANTE:** TONGIL

*Food supplement based on 5:1 extract of whole Korean Ginseng IL HWA root (Panax ginseng CA Meyer) and concentrated Blueberry juice (Vaccinium myrtillus).*

### DESCRIPTION

#### What is Aligel Fort Energy used for?

Ginseng: Promotes vitality and helps combat fatigue.

It helps maintain cognitive performance and promote alertness in cases of weakness, exhaustion and loss of concentration.

Mature roots are used to produce Aligel Fort Energy, as this is the moment when the root is at its optimum level of active ingredients.

Use of whole, unpeeled roots, since this peeling process eliminates the secondary roots where the active ingredients are located. The use of whole roots ensures a balanced supply of active ingredients.

Exclusive IL HWA extraction procedure at low temperature, low pressure and vacuum, which allows the active principles of the root to be kept intact, including the volatile ones.

Content of active ingredients standardized to 7% in total Ginsenosides, which guarantees the effectiveness, safety and quality of all its products.

Own cultivation in Korean plantations, which allows to ensure quality standards from germination to the final product.

The formulation is completed with concentrated cranberry juice.

#### ACTIVE INGREDIENTS / DAILY DOSE (1/2 VIAL)

- Korean Ginseng Whole Root Extract 5:1 260 mg IL HWA (Panax ginseng CA Meyer) (equivalent to 1300 mg root powder)
- Total ginsenosides 18.2 mg
