

Ashwandha Pure State Optimized 30 Vegetable Capsules

EAN: 8436005305017 FABRICANTE: TONGIL

Food supplement based on Sensoril® (patented dry extract of Ashwagandha (*Withania somnifera*), Bioperine® (patented dry extract of Black Pepper) and vitamin B6.

DESCRIPTION

What is Tongil Pure Ashwandha used for?

Ashwagandha contributes to relaxation during periods of nervous tension and anxiety. It promotes the body's resistance to stress and helps maintain physical and mental abilities in cases of fatigue and loss of concentration.

Vitamin B6 contributes to the functioning of the Nervous System and to reducing tiredness and fatigue.

What does Tongil Pure Ashwandha contain?

Contains Sensoril®, a patented dry extract of Ashwagandha root and leaves, capable of guaranteeing the highest standardization on the market in active ingredients 10% Withanolides and 32% oligosaccharides. Obtained by aqueous extraction, preserving and respecting all the properties of the plant. Endorsed by exhaustive quality control to ensure the purity of the plant and rule out possible adulterations.

Unlike other extracts on the market that focus only on the root, Sensoril® is obtained from the entire plant, leaves and roots, thus achieving the full, balanced, synergistic spectrum with greater bioavailability of active ingredients and demonstrating greater benefits than the use of leaves or roots in isolation.

Optimized with Bioperine®, a patented dry extract of Black Pepper that promotes the absorption and bioavailability of the active ingredients.

And vitamin B6 which contributes to the functioning of the nervous system.
