

Ginsagel Gold 20 Vcaps

EAN: 8801223150907 FABRICANTE: TONGIL

Food supplement based on 11:1 dry extract of whole Korean Ginseng root IL HWA (Panax ginseng CA Meyer).

DESCRIPTION

What is Tongil Ginsagel Gold used for?

Ginsagel Gold contributes to natural defenses and the proper functioning of the immune system.

It contributes to maintaining normal blood glucose levels.

Helps maintain good cognitive performance and promote alertness.

Contributes to memory performance.

It helps maintain good sexual relations.

Helps counteract fatigue and promotes vitality.

Mature roots are used to produce Ginsagel Gold, as this is the moment when the root is at its optimum level of active ingredients.

Use of whole, unpeeled roots, since this peeling process eliminates the secondary roots where the active ingredients are located. The use of whole roots ensures a balanced supply of active ingredients.

Exclusive IL HWA extraction procedure at low temperature, low pressure and vacuum, which allows the active ingredients of the root to remain intact, including the volatile ones.

Standardized active ingredient content, which guarantees the effectiveness, safety and quality of all its products. Own cultivation in Korean plantations, which allows to ensure quality standards from germination to the final product.

In vegetable capsules, suitable for vegans.
