

## Ginseng Extract 30 gr

EAN: 8801223217105    FABRICANTE: TONGIL

*Food supplement based on 100% pure Korean Ginseng root extract (Panax ginseng CA Meyer).*

### DESCRIPTION

#### What is Pure Korean Ginseng Extract Used For?

Ginseng: Contributes to natural defenses and the proper functioning of the immune system.

It contributes to maintaining normal blood glucose levels.

Helps maintain good cognitive performance and promote alertness.

Contributes to memory performance.

It helps maintain good sexual relations.

Helps counteract fatigue and promotes vitality.

Mature roots have been used to produce Korean Ginseng pure extract, as this is the time when the root is at its optimum level of active ingredients.

Use of whole, unpeeled roots, since this peeling eliminates the secondary roots where the active ingredients are found. The use of whole roots ensures the balanced contribution of active ingredients.

The exclusive IL HWA extraction process at low temperature, low pressure and under vacuum, which allows the active ingredients of the root to be kept intact, including the volatile ones.

Standardized active ingredient content, which guarantees the effectiveness, safety and quality of all its products.

Own cultivation in Korean plantations, which allows to ensure quality standards from germination to the final product.

#### ACTIVE INGREDIENTS / DAILY DOSE (1 TEASPOON = 500 MG)

- Korean Ginseng Extract IL HWA 500 mg (Panax ginseng CA Meyer).
