

Ginseng Jar 100 Caps IL HWA

EAN: 8801223207502

FABRICANTE: TONGIL

Food supplement based on whole root powder of Korean Ginseng IL HWA (Panax ginseng CA Meyer).

DESCRIPTION

What is Korean Ginseng used for?

Ginseng: Contributes to natural defenses and the proper functioning of the immune system.

It contributes to maintaining normal blood glucose levels.

Helps maintain good cognitive performance and promote alertness.

Contributes to memory performance.

It helps maintain good sexual relations.

Helps counteract fatigue and promotes vitality.

Use of mature roots, as this is the moment when the root is at its optimal level of active ingredients.

Use of whole, unpeeled roots, since this peeling process eliminates the secondary roots where the active ingredients are located. The use of whole roots ensures a balanced supply of active ingredients.

Exclusive IL HWA extraction procedure at low temperature, low pressure and vacuum, which allows the active principles of the root to be kept intact, including the volatile ones.

Standardized active ingredient content, which guarantees the effectiveness, safety and quality of all its products.

Own cultivation in Korean plantations, which allows to ensure quality standards from germination to the final product.
