

Lactoferrin Immuno C+D 30 Vcaps

EAN: 8436005300487 FABRICANTE: TONGIL

Food supplement based on Lactoferrin and vitamins C and D.

DESCRIPTION

What does Tongil Lactoferrin Inmuno C+D contain and what is it used for?

Vitamins C and D help strengthen the immune system response.

Vitamin C contributes to the normal functioning of the immune system during and after intense physical exercise.

Vitamin C contributes to the normal formation of collagen for the functioning of blood vessels.

Vitamin C contributes to the protection of cells against oxidative damage.

Vitamin C helps reduce tiredness and fatigue.

Lactoferrin is a protein belonging to the transferrin family, which is found naturally in milk and in the secretions of mammals (in higher concentration in colostrum).

It provides Vitamin C in the non-acidic form of calcium ascorbate, with a neutral pH, so it is not aggressive to the digestive system.

Active form of vitamin D (D3 cholecalciferol).

ACTIVE INGREDIENTS / DAILY DOSE (1 CAPSULE)

- Lactoferrin 150 mg.
- Vitamin C 180 mg (225% NRV*) (from calcium ascorbate).
- Vitamin D (cholecalciferol) 5 µg (200 IU) (100% VRN*).

*NRV: Nutrient Reference Values.

- Other Ingredients: Vegetable capsule (hydroxypropyl methylcellulose), maltodextrin, stabilizers (sodium starch octenylsuccinate and gum arabic), antioxidant (alpha-tocopherol, sodium ascorbate, dihydrogen calcium phosphate and vegetable oil).

Lactoferrin Immuno C+D 30 Vcaps

EAN: 8436005300487 FABRICANTE: TONGIL
