

Food supplement based on Tamarind, Plum Pulp, Rhubarb, Senna, Apple Pectin, Glutamine and lactic ferments.

### DESCRIPTION

#### What is Tongil Nivelax used for?

Nivelax is a food supplement that facilitates intestinal transit. Its components include:

- Senna and Rhubarb contribute to the proper functioning of intestinal transit.
- Tamarind contributes to digestive comfort and promotes intestinal transit.
- Dry extracts of Senna standardized to 3% in sennosides and Rhubarb standardized to 5% in rhein.
- Mixture of active and stabilised lactic ferments: Lactobacillus acidophilus (80 million CFU/g), Lactobacillus bulgaricus (15 million CFU/g), Streptococcus thermophilus (5 million CFU/g).
- Reinforced with dry tamarind extract, apple pectin, plum pulp and L-glutamine.

### Instructions for use

Take 1 capsule a day, preferably at night, with plenty of water.
