Levelvigor 40 Vcaps

EAN: 8436005300463

FABRICANTE: TONGIL

Food supplement based on dry extracts of Maca, Korean Ginseng IL HWA, Saffron, L-arginine and Zinc.

DESCRIPTION

What is Tongil Nivelvigor used for?

Maca root contributes to physical performance and stimulates sexual desire.

Ginseng helps maintain good sexual relations and promotes vitality.

Zinc helps maintain normal testosterone levels.

Saffron helps maintain a positive mood.

Nivelvigor is made with an exclusive formula based on extracts of Maca, Korean Ginseng IL HWA, Saffron, the amino acid L-arginine and the mineral Zinc. It contains Macatonic, a patented extract of Maca root (*Lepidium meyenii*) concentrated 5:1, grown in Peru in areas with exceptional altitudes and obtained through extraction with water as a solvent to preserve all the qualities of the root.

Contains concentrated 11:1 Korean Ginseng IL HWA (*Panax ginseng* CA Meyer) whole root extract, extracted at low temperature from mature, whole roots and unpeeled, grown in Korean plantations, standardized to 12% total ginsenosides, which guarantees the effectiveness, safety and quality of ginseng. With Affron®, patented extract of Saffron stigmas (*Crocus sativus*) of Spanish origin and standardized to 2% safranal, aromatic component of Saffron and maximum responsible for its physiological effects.

The formula is completed with the amino acid L-arginine, a metabolic precursor of nitric oxide, and the mineral Zinc, which helps maintain normal levels of testosterone, a hormone produced by the sexual organs.

Instructions for use

Take 2 capsules a day, preferably in the morning.

ACTIVE INGREDIENTS / DAILY DOSE (2 CAPSULES)

- Macatonic (Andean Maca root ES 5:1) 400 mg.
