

Little Sanito Bear Mocosete 150 ml

EAN: 8436005301248 FABRICANTE: TONGIL

Natural syrup, prepared from plants: Marshmallow, Rosemary, Pine Buds, Rose Hips and vitamins.
Indicated to increase the defenses and for nasal congestion in children.

DESCRIPTION

What is Osito Sanito Mocosete syrup and what is it for?

It is a food supplement based on lemon balm, lime blossom, lavender, white hawthorn, lemon verbena and vitamin B6.

Vitamin C and B6 contribute to the increase in defenses.

Pine buds decongest the nose, eliminating mucus, thus helping to breathe better.

What dose should I give my child?

Shake before using.

- Take 1 ml per kg of weight per day.
- Children from 4 years: 1 dessert spoon (5 ml) 3 times a day, before meals.
- Adults: 1 tablespoon (10 ml) 3 times a day, before meals.

What is the composition of Osito Sanito Mocosete?

15 milliliters of syrup contain:

- Marshmallow dry extract 206 mg
- Rosemary dry extract 168 mg
- Dry extract of pine buds 120 mg
- Rosehip dry extract 75 mg
- Vitamin B6 0.35mg
- Vitamin C 20mg
- Other Ingredients: Agave syrup, water, maltodextrin, anti-caking agent (silicon dioxide).

Does not contain gluten. Suitable for vegans.
