Nivelcol 60 Caps

EAN: 8436005301439 FABRICANTE: TONGIL

Food supplement based on rice powder fermented by red yeast, Phytosterols, Oat Fiber, Apple Pectin, Artichoke, Aged Black Garlic, Vitamin B3 and Sugar Cane Wax.

DESCRIPTION

What is Nivelcol from Tongil used for?

Aged black garlic helps maintain normal cholesterol levels and helps maintain heart health. Artichokes help maintain normal blood lipid levels and also provide natural antioxidants.

Rice powder fermented by red yeast (*Monascus purpureus*) standardized in Monacolin, with rigorous control of citrinins (contaminating mycotoxins of rice yeast). Plant sterols from pine extract, with high content of Beta-sitosterol. Soy-free.

ES of Artichoke leaves (*Cynara scolymus* L.) standardized to 2% in active ingredient cynarin.

Highly purified fibre obtained by special processing from selected oat grains (*Avena sativa*). Gluten free.

Apple pectin: natural fiber obtained from apple skin.

Reinforced with Aged Black Garlic: patented ABG10+® 10:1 dry extract of the Aged Black Garlic bulb (*Allium sativum*) Premium quality and standardized in the active ingredient S-Allyl Cysteine (SAC).

The unique properties of Black Garlic are due to its aging process, in which a conversion of the substances present in fresh garlic occurs, such as allicin, into other more stable and active sulfur derivatives such as S-Allyl Cysteine.

Instructions for use

Take 2 capsules a day, preferably with food as a dietary supplement.

ACTIVE INGREDIENTS / DAILY DOSE (2 CAPSULES)

- Red yeast fermented rice powder (*Monascus purpureus*) 672 mg
