

Niveldol 30 Vegetable Capsules

EAN: 8436005301880

FABRICANTE: TONGIL

Food supplement based on Levagen® (Palmitoyl ethanolamide), magnesium acetyl taurinate, Schizochytrium microalgae oil, quercetin, dry extracts of Boswellia serrata, Ginger and Blackcurrant, and vitamin B complex.

DESCRIPTION

What is Niveldol from Tongil used for?

Blackcurrant leaves help soothe pain and relieve inflammatory pain.

Ginger helps control the inflammatory response.

Vitamins B1, B2, B6 and B12 contribute to the normal functioning of the nervous system.

Tongil's Niveldol is an exclusive formula based on Levagen®, a high-quality patented brand of palmitoyl ethanolamide (PEA), an endocannabinoid molecule naturally produced by the body that acts as an agonist of endocannabinoid (CB) receptors.

Contains Magnesium in its acetyl taurinate form, under the ATA Mg® patent, whose bioavailability is greater compared to other traditionally used sources of magnesium, thanks to its lipophilic nature that facilitates intestinal absorption and passage through phospholipid membranes.

Contains vegan Omega 3 from the algae Schizochytrium sp., a 100% vegan source of Omega 3 fatty acids, with a patented multi-layer microencapsulation technology that protects them from oxidation and guarantees greater stability.

The formula is completed with Quercetin from a dry extract of Acacia flowers (Sophora japonica), concentrated dry extract of Ginger rhizome, dry extract of Boswellia serrata standardized to 65% in boswellic acid, concentrated dry extract of Blackcurrant leaves and a concentrate of the full spectrum of B vitamins.

Instructions for use

Take 2 capsules daily.

ACTIVE INGREDIENTS / DAILY DOSE (2 CAPSULES)

- ATA Mg® (magnesium acetyl taurinate) 450 mg.
- Levagen® (PEA -palmitoyl ethanolamide) 300 mg.
- Schizochytrium sp. microalgae oil 200 mg.
- Vitamin complex: 200 mg.

Niveldol 30 Vegetable Capsules

EAN: 8436005301880

FABRICANTE: TONGIL

- Vitamin C 60 mg (75% NRV*).
- Vitamin E 10 mg (83.3% NRV*).
- Niacin 18 mg (112.5% NRV*).
- Pantothenic acid 6 mg (100% VRN*).
- Vitamin B6 2 mg (142.8% NRV*).
- Vitamin B1 1.4 mg (127.26% NRV*).
- Vitamin B2 1.6 mg (114.28% NRV*).
- Vitamin B12 1 mcg (40% NRV*).
- Folic acid 200 mcg (100% VRN*).
- D-Biotin 150 mcg (300% NRV*).
- Boswellia resin dry extract 100 mg.
- Quercetin 75 mg.
