Food supplement based on plant concentrates, L-glutamine, Magnesium, Aloe vera and Riboflavin.

### DESCRIPTION

#### What is Nivelgastric by Tongil used for?

Licorice root helps maintain the normal function of the mucous membranes of the stomach and contributes to digestive comfort.

Fenugreek helps maintain the physiological pH balance of the stomach.

Aloe vera and ginger contribute to gastrointestinal health.

Riboflavin (vitamin B2) contributes to maintaining normal mucous membranes.

Mucosave®, a patented blend containing dry extracts standardized in polysaccharides from Nopal leaves (*Opuntia ficus indica*) and polyphenols from Olive leaves (*Olea europaea*).

Gutgard®, a patented 25:1 dry extract of Licorice root (*Glycyrrhiza glabra*) doubly standardized to 10% flavonoids and 3.5% glabridin. This is a deglycyrrhized extract, to ensure maximum formulation safety.

Botanical dry extracts of whole leaf juice of Aloe vera (*Aloe barbadensis* Miller) 200 times concentrated free of anthraquinones, of Cat's Claw (*Uncaria tomentosa*) standardized to 3% in alkaloids, of Marshmallow root (*Althaea officinalis* L.) standardized to 0.5% in polyphenols and of Fenugreek seeds (*Trigonella foenumgraecum*) 10 times concentrated.

To maximize its effectiveness, the formulation is completed with Ginger (*Zingiber officinale*) powder, Magnesium Carbonate, the amino acid L-glutamine and vitamin B2 (Riboflavin).

#### Instructions for use
