

## Nivelglu 60 Caps

EAN: 8436005300586 FABRICANTE: TONGIL

Food supplement based on hydrolyzed marine peptides, apple extract, cinnamon, mulberry, banaba and chromium.

### DESCRIPTION

#### What is Tongil Nivelglu used for?

Chromium contributes to maintaining normal blood glucose levels.

Mulberry contributes to the balance of carbohydrate metabolism in the body.

Banaba extract and Cinnamon help maintain normal blood glucose levels.

Tongil Nivelglu is an exclusive formula based on hydrolyzed marine peptides, apple extract, plant concentrates and Chromium. It contains Nutripeptin®, a registered extract of active peptides obtained from lean fish species. The process of obtaining these peptides is based on a double enzymatic hydrolysis, followed by a process of refining, purifying, selecting and concentrating small, easily assimilated active peptides.

Contains Select-Sieve® Apple, a concentrated dry extract of apple (*Malus sylvestris*) standardized in the polyphenols phloridizine, quercetin and chlorogenic acid. Its presence in glycosylated form gives it high bioavailability and stability. It is obtained by a patented GSMT? technology at low temperature, which guarantees the natural contribution of a unique profile. The formulation is reinforced by the standardized dry extracts of Banaba and Cinnamon and by its contribution of Chromium.

#### Instructions for use

Take 3 capsules a day, divided into main meals.

#### ACTIVE INGREDIENTS / DAILY DOSE (3 CAPSULES)

- Nutripeptin® (Marine peptide hydrolysate) 420 mg.
- Dry extract of mulberry leaves (*Morus alba*) standardized to 1% 1-deoxynojirimycin 210 mg.
- Dry extract of Banaba leaves (*Lagerstroemia speciosa*) standardized to 1% corosolic acid 150 mg.
- Select-Sieve® Apple (*Malus sylvestris* apple dry extract standardized in phloridzin, quercetin and chlorogenic acid) 90 mg.
- Cinnamon bark dry extract 5:1 (*Cinnamomum zeylanicum*) 90 mg.
- Chromium (chromium picolinate) 40 ?g (100% VRN\*).
