

Nivelmemorix 40 Caps

EAN: 8436005301415 FABRICANTE: TONGIL

Food supplement based on Phosphatidylserine, Ginkgo biloba, Turmeric, Bioperine®, Cognivia®, Bacopa monnieri, 100% vegetable B vitamins, coenzyme Q10, EPA and DHA.

DESCRIPTION

What is Nivelmemorix used for?

Bacopa helps improve concentration and memory.

Ginkgo helps maintain good cognitive function.

Pantothenic acid contributes to normal intellectual performance.

Salvia lavandulifolia essential oil helps maintain memory with age and preserve cognitive functions.

Contains Cognivia, a patented synergistic combination of Salvia officinalis L. leaf dry extract and Salvia lavandulifolia essential oil. With Bacopa monnieri leaves standardized to 20% in bacosides and Ginkgo biloba leaves standardized to 24% in Ginkgoflavoglycosides and 6% in terpenolactones.

Contains Panmol®, a standardized active complex of 100% vegetable B Group Vitamins from Quinoa sprouts. With 100% natural Kaneka coenzyme Q10, which through its exclusive method of production by biofermentation from yeast, provides only trans isomers, bioidentical to those produced by the body and, therefore, highly assimilated and bioavailable.

Reinforced with microencapsulated fish oil and standardized in omega 3 fatty acids (EPA and DHA), 25:1 dry extract of turmeric rhizome standardized to 95% in curcuminoids and phosphatidylserine.

ACTIVE INGREDIENTS / DAILY DOSE (2 CAPSULES)

- Phosphatidylserine (from 50% standardized soy lecithin) 100 mg.
- Cognivia (patented ES from Salvia officinalis L. leaves and Salvia lavandulifolia essential oil) 200 mg.
