

## Pure State Agaricus Reishi 40 Vcaps

EAN: 8436005301521 FABRICANTE: TONGIL

*Food supplement based on concentrated dry extracts of Agaricus blazei murri (Sun Mushroom) and Reishi.*

### DESCRIPTION

#### What is Pure State Agaricus Reishi from Tongil used for?

Vitamin C and Selenium contribute to the normal functioning of the immune system.

Selenium contributes to the protection of cells against oxidative damage.

Sun Mushroom and Reishi promote the functioning of the immune system.

#### What does Pure State Agaricus Reishi from Tongil contain?

Concentrated dry extract of the Sun Mushroom (Sun Mushroom) Agaricus blazei Murri.

Reinforced with dry extract of the fruiting body of the Ganoderma lucidum mushroom, highly concentrated in a 20:1 ratio.

Each capsule provides the equivalent of 6500 mg of the fruiting body of the fresh mushroom. The selection of the fruiting body of the mushroom ensures the supply, exclusively of the nutrients from the Ganoderma lucidum fungus, discarding those from the cultivation soil and guaranteeing the authenticity and natural effectiveness of the product.

It also provides selenomethionine, which provides the highly bioavailable mineral selenium, and vitamin C.

#### ACTIVE INGREDIENTS / DAILY DOSE (2 CAPSULES)

- Red Reishi dry extract 20:1 (Ganoderma lucidum) 650 mg (equivalent to 13,000 mg of Reishi powder)
- Agaricus blazei murri dry extract 8:1 160 mg (equivalent to 1280 mg of Agaricus powder)
- Vitamin C (L-ascorbic acid) 80 mg (100% VRN\*)
- Selenomethionine 7 mg

-Selenium content 35 µg (63.6% VRN\*)

\*NRV: Nutrient Reference Values.
