

Pure State Cranberry 120 Pacs 40 VCaps

EAN: 8436005300814 FABRICANTE: TONGIL

Food supplement based on concentrated dry extract of the American cranberry fruit (Vaccinium macrocarpon) standardized in proanthocyanidins (PACs) and vitamin C.

DESCRIPTION

What is Estado Puro Cranberry 120 Pacs from Tongil used for?

It is used for urinary well-being, such as urinary infections in both men and women.

Vitamin C contributes to the functioning of the immune system.

What is the composition of Estado Puro Cranberry 120 Pacs?

High concentration of proanthocyanidins (PACs) from dry extracts of American cranberry (Cranberry), 100% Vaccinium macrocarpon.

Proanthocyanidins (PACs) type A, exclusive to the Vaccinium macrocarpon species, which certify the authenticity and purity of the extracts used.

Provides the complete Cranberry fruit (pulp, seeds and skin), thus guaranteeing the full spectrum of all its active components.

The daily dose of 2 capsules provides 120 mg of type A proanthocyanidins.
