

Pure State DHA Omega 3 30 Vegan Vegetable Pearls

EAN: 8436005300005 FABRICANTE: TONGIL

Food supplement based on oil from the microalgae *Schizochytrium sp.*, naturally concentrated in DHA (Omega 3).

DESCRIPTION

What is Tongil Pure State DHA Omega 3 used for?

DHA contributes to maintaining normal brain function and vision. The beneficial effect is obtained with a daily intake of 250 mg of DHA.

Natural DHA concentrate (500 mg/pearl) from the oil of the microalgae *Schizochytrium sp.*, obtained under the strictest standards of quality and purity, in accordance with the regulations established by the GOED Reference Institution.

Omega 3 in the form of Triglycerides, the form in which it is found naturally and which favors greater bioavailability.

100% sustainable. It is grown in bioreactors and does not deplete natural resources or alter biodiversity.

Highly stable. The qualities of the oil are maintained over time thanks to the mixture of antioxidant tocopherols that offer protection during processing and storage.

100% vegan.
