## Pure State Flexicollage 275 gr

EAN: 8436005301422 FABRICANTE: TONGIL

Patented Peptan® Collagen, 100% Pure Marine Collagen, with superior assimilation than other collagen sources.

Subjected to a controlled enzymatic hydrolysis process from high purity type I collagen that produces highly bioavailable active peptides.

With Ovomet®, a patented extract of pure eggshell membrane that naturally provides collagen, hyaluronic acid, glucosamine, chondroitin, lysozyme, keratan and dermatan sulfate, components that act synergistically.
