

Pure State Horsetail 40 Vcaps

EAN: 8436005300982 FABRICANTE: TONGIL

Food supplement based on concentrated dry extracts of Horsetail, Herniaria and Birch.

DESCRIPTION

What is Tongil Pure Horsetail State and what is it used for?

Food supplement based on concentrated dry extracts of Horsetail, Herniaria and Birch.

Horsetail promotes remineralization of the body.

Birch contributes to the body's detoxification processes.

Food supplement based on concentrated botanical extracts standardized in flavonoids.

Contains dry extract of the aerial part of the Horsetail plant (*Equisetum arvense*) concentrated in a 12:1 ratio. The flavonoid content is ensured, with a standardization of 3%.

With dry extract of aerial parts and flowers of *Herniaria glabra* concentrated 4:1, commonly known as Stonebreaker or Arenaria.

With dry extract of Birch (*Betula pendula*) concentrated 4:1 and standardized to 2.5% in flavonoids, which contributes to the body's detoxification processes.
