

Pure State Maca 2000 mg 60 Capsules

EAN: 8436005300630 FABRICANTE: TONGIL

Food supplement based on dry extract of the Andean Maca root.

DESCRIPTION

What is Tongil Maca used for?

Maca: Contributes to physical and mental performance. Helps maintain sexual activity and energy.

Maca Tongil is a native extract of the *Lepidium meyenii* variety, cultivated in Peru, in areas with exceptional altitudes on the central slope of the Andes mountain range covered by the Amazon.

Unique extraction process with water as a solvent to preserve all the natural qualities of the root, and concentrated up to a 5:1 ratio.

It ensures the necessary content of macamides and macaenes, exclusive polyunsaturated fatty acids that reveal its authenticity.

ACTIVE INGREDIENTS / DAILY DOSE (2 CAPSULES)

- Macatonic Andean Maca Root Dry Extract 800 mg (*Lepidium meyenii*) 5:1 (Equivalent to 4000 mg of Maca root).
- Other Ingredients: Vegetable capsule (hydroxypropyl methylcellulose), maltodextrin, modified starch (sodium starch octenylsuccinate) and anti-caking agent (silicon dioxide).
