

Pure State Magnesium Ultradirect 60 Vcaps

EAN: 8436005301668 FABRICANTE: TONGIL

Food supplement based on concentrated Magnesium with high absorption and bioavailability.

DESCRIPTION

What is Pure State Magnesium Ultradirect from Tongil used for?

Magnesium:

- Helps reduce tiredness and fatigue.
- Promotes normal muscle function.
- Contributes to normal protein synthesis.
- Contributes to normal psychological function.
- It helps the normal functioning of the nervous system.
- Helps maintain bones in normal conditions.
- Contributes to electrolyte balance.
- Contributes to normal energy metabolism.

What does Tongil Pure Magnesium Ultradirect contain?

Exclusive formula with double contribution of concentrated magnesium, in its most BIOAVAILABLE form (Bisglycinate) and of highly ABSORPTIONAL sucrosomal marine origin (SideMag® Marine).

Suitable for Vegans.

Magnesium Bisglycinate achieves the maximum possible bioavailability in a salt thanks to its two glycine molecules, which act as a “Trojan horse” to promote the intestinal absorption of Magnesium.

SideMag® Marine, originating from the seas of Northern Europe, is the first magnesium hydroxide microencapsulated in sucro-somal liposomes, a unique patented technology that makes it a highly bioavailable source of magnesium.

The salts used guarantee ABSENCE OF INTERACTION with food and HIGH TOLERABILITY: They mask the aftertaste of the mineral Magnesium and eliminate the risk of digestive discomfort (does not cause nausea, laxative effect, ...).

Pure State Magnesium Ultradirect 60 Vcaps

EAN: 8436005301668 FABRICANTE: TONGIL

ACTIVE INGREDIENTS / DAILY DOSE 2 CAPSULES

- Magnesium 250 mg (66.6% NRV*).
