EAN: 8436005300777 FABRICANTE: TONGIL

*Food supplement based on dry extract of milk thistle seeds standardized to 80% in silymarin and choline.*

### DESCRIPTION

#### What is Pure State Milk Thistle from Tongil used for?

Milk thistle contributes to the protection and health of the liver and promotes its detoxifying functions.

Choline contributes to maintaining normal liver function.

#### What does Pure State Milk Thistle from Tongil contain?

The dry extract of Ginkgo biloba leaves used in Estado Puro comes from the Silybum marianum species, and it is characterized by the maximum concentration of active ingredients, reaching a ratio of 25:1 with respect to the fresh plant.

It is standardized to 80% in silymarin, a compound exclusive to milk thistle, and responsible for its effects.

Rigorous quality controls ensure that the species used are not adulterated, as well as the absence of toxins and heavy metals.

One capsule provides 400 mg of dry extract of milk thistle seeds with a ratio of 25:1, equivalent to 10,000 mg of seed powder.

Standardization ensures the provision of 320 mg of silymarin per capsule.

The formula is complemented with Choline, which contributes to maintaining liver function.
