

Pure State Saffron 2% Safranal 40 Capsules

EAN: 8436005300623 FABRICANTE: TONGIL

It is a nutritional supplement that combines Affron® (a highly concentrated dry extract of the pure stigmas of saffron) with vitamin B6 to offer a complete and effective solution for health and well-being.

DESCRIPTION

What is Pure State Saffron?

Affron® is a patented dry extract obtained exclusively from the pure stigmas of the saffron plant, *Crocus sativus*, native to Spain. This extract is genetically certified to guarantee its 100% purity and avoid any type of adulteration. Thanks to an exclusive extraction process from the stigmas of the plant, an optimal concentration and standardization of the active ingredients lepticrosalides and safranal is achieved, which are the aromatic components of saffron and responsible for its physiological effects. Each capsule of Pure Saffron contains 15 mg of Affron®, standardized to 3.5% in lepticrosalides, of which 2% corresponds to safranal.

What is Pure State Saffron from Tongil Laboratories used for?

The concentrated dry extract of pure saffron stigmas (Affron®) has been shown to have properties that contribute to emotional balance and the maintenance of a state of positive mood. Vitamin B6 is an essential nutrient that contributes to the normal functioning of the nervous system, which can also be beneficial for the emotional and mental health.

What are the ingredients of Pure State Saffron?

Quantity per two capsules:

- Affron® (Dry extract of Saffron stigmas *Crocus sativus*) 30 mg standardized to 3.5% in Lepticrosalides.
- Safranal content 0.6 mg.
- Vitamin B6 1.4 mg (100% VRN*).

*NRV: Nutrient Reference Values.
