

Pure State SOD Glutathione 30 Vcaps

EAN: 8436005300654 FABRICANTE: TONGIL

Food supplement based on TetraSOD® (lyophilized microalgae T. chuii with high SOD superoxide dismutase activity) and reduced Glutathione.

DESCRIPTION

What is Pure State SOD Glutathione from Tongil used for?

Antioxidant Superoxide dismutase from algae and Glutathione.

What does Tongil Pure State SOD Glutathione contain?

TetraSOD® is the most concentrated natural source of the SOD enzyme (Superoxide dismutase), with an antioxidant activity of 30,000 IU/g. With high bioavailability, resistant to gastric degradation and assimilable by intestinal cells.

Unique natural marine ingredient (marine microalgae Tetraselmis chuii), obtained by a sustainable and patented technology of growth, extraction and concentration, without the use of chemical solvents.

It also contains the 3 essential antioxidant enzymes (superoxide dismutase, glutathione peroxidase and catalase).

The formula is completed with reduced Glutathione (GSH), a stable form of glutathione, composed of the union of 3 amino acids, specifically glutamic acid, cysteine and glycine.

ACTIVE INGREDIENTS / DAILY DOSE (1 CAPSULE)

- TetraSOD® (lyophilized microalgae T. chuii) 33 mg L-Glutathione (reduced) 25 mg.

*NRV: Nutrient Reference Values.

- Other Ingredients: Vegetable capsule (hydroxypropyl methylcellulose), maltodextrin and anti-caking agent (silicon dioxide).

Instructions for use

Take 1 capsule daily.
