

Pure State Valerian with Gaba 40 Vcaps

EAN: 8436005301637 FABRICANTE: TONGIL

Food supplement based on concentrated dry extracts of Valerian, Melissa, vitamin B6 and GABA.

DESCRIPTION

What is Pure Valerian State with Gaba from Tongil used for?

Valerian helps you fall asleep and stay asleep.

It also contributes to optimal relaxation.

Vitamin B6 contributes to the normal functioning of the nervous system.

What does Pure Valerian State with Gaba from Tongil contain?

- With Valeripure, a patented and deodorized dry extract of Valerian root (*Valeriana officinalis* L.) standardized to 0.4% valerenic acids. Its exclusive production process eliminates the volatile compounds responsible for its intense smell, allowing all the active ingredients to be preserved. Rigorous controls guarantee the absence of the toxic valepotriate components.
- Dry extract of Melissa leaves (*Melissa officinalis* L.) standardized to 5% in rosmarinic acid.
- Formulation reinforced with the neurotransmitter GABA (gamma-aminobutyric acid) and vitamin B6, which contributes to the normal functioning of the nervous system.
