European Food Safety Authority (EFSA). Food supplements should not be used as a substitute for a balanced diet and a healthy lifestyle. Do not exceed the recommended daily dose. Keep out of reach of children. To meet nutritional needs, it is important to consume a varied and balanced diet and follow a healthy lifestyle. Consumption warnings are reflected on the supplement label.

### More about Natural Solutions:

Line of 100% Pure Aloe Vera and Aloe Vera with Papaya juices extracted cold to preserve all their active ingredients. Maximum quality and concentration. Its presentation in a tinted glass bottle preserves its content and purity until consumed. The juice is extracted from the entire Aloe Vera leaf, strict controls and rigorous processing guarantee all its freshness. It does not contain aloin or anthraquinones, which eliminates substances with possible laxative effects. It also has a high concentration of polysaccharides exclusive to Aloe.
