*Tot Herba is a laboratory of natural alternatives for health, hygiene and beauty. Tot Herba uses carefully selected natural raw materials to make its products. Tot Herba makes products for body care and hygiene based on medicinal plants, such as lavender, rosemary, St. John's wort, chamomile or sage.*

### DESCRIPTION

Tot Herba is a Spanish company that began manufacturing its products based on medicinal plants in 1976. At Tot Herba, they take care of the highest quality of the active ingredients they use, selecting the best raw materials. All of Tot Herba's production processes are environmentally friendly.
